What keys do what

What keys do what

AA Key

Opens almost all doors in and around Benson. Most closets and Benson house doors will use this key.

What keys do what

Booth Key (A6)

Opens the control room in Benson. Nothing more... nothing less.

What keys do what

Padlock key

Opens the padlock to the catwalks in Benson (on 2nd floor by the elevator) and the padlock on the storage closet in the RC Gym.

Also, it is currently the key that opens the lock on the mic stands backstage.

What keys do what

Key Sets

There are two student key sets that can be grabbed from the control room if more access is needed.

There are currently 2 key sets:

- In: Has keys that relate to the Hall or immediately adjacent areas. Will open closets in the hall, toolboxes, automation systems, etc...
- Out: Has keys that will open closets outside the hall (4th floor, Boardroom, Underground, etc...

Benson Closets

Benson Closets

"B" Closet

Benson's Junk Drawer.

Located in the "B" entrance to the hall (Audience Left side of the Mezzanine)

Contains a bunch of odds and ends that don't really belong anywhere else. Also contains Benson shirts.

Benson Closets

"C" Closet

Video World

Located in the "C" entrance to the hall (Audience Right side of the Mezzanine)

Storage for all of our video cables, converters, and cameras.

Benson Closets

Piano Storage

Stores flutes.

and pianos...

Located backstage next to the green room (CLC148) and the dressing rooms/bathrooms.

Both grand pianos store in this room when not in use.

Benson Closets

Organ Closets

Benson's unused basement room.

Located backstage on 2nd floor on either side of the organ.

Contains a whole bunch of miscellaneous junk that doesn't fit in B Closet. Best to not open if you value your life, or have a fear of avalanches.

Benson Closets

Kevin's Closets

Music Department Chaos

There are two.

The main one is under the stairs in the stairwell backstage SL. Contains mostly stand lights and other small bits and bobs of Kevin's liking.

The secondary one is in the HVAC area by the elevator on 2nd floor, straight ahead at the bottom of the steps. Contains larger items, mostly used for Festival of Christmas light, cable, wreath and garland storage.

Gym Storage Areas

Gym Storage Areas

Tech Storage Closet

Under the balcony on the far side of the gym from the business department.

Opens with the padlock key.

Used for case storage for items from the hall, and larger uncommonly used equipment storage.

Gym Storage Areas

Athletics Storage Closet

In the same corner of the gym as the East Parking Lot entrance to the HC.

Opens with the Athletics Key (on the "Out Key Set")

Contains controls for the overhead lighting system in the gym, and holds the athletics audio system cart.

Anderson Center Storage Areas

Anderson Center Storage Areas

Anderson 3rd Floor Storage

A sad place of death and despair

Lakeside Storage Areas

where things stolen from us go

What storage areas?

Theatre

where we steal from

Theatre

Catwalks

Where Theater hides stuff they've stolen from us. Check here if you believe they've stolen something.

Underground

The space of sad

Underground

Underground Equipment Closet

Located behind the red curtain by the Wii TV.

Contains the audio and video equipment rack for the underground, and has storage for spare mics, stands and cables.

Uses a key on the "Out Key Set" for access.

Underground

Underground Lighting Closet

Located behind the double doors onstage by the projection screen. Will need keycard access to access the hallway.

Contains the dimmer rack for the Underground, and spare lamps for lighting fixtures.

Uses a key on the "Out Key Set" for access.
